

The Gurney

Signature Edition

POWER IN THE HANDS OF A FEW™

Time Flies.

Introducing history on four wheels: the Gurney Signature Edition. The exterior reflects the look of Dan's 1969 Trans Am series Mustang, masterfully recreated in a fashion that honors history but looks aggressively towards the future. The Gurney Edition body kit, 'duck bill' rear spoiler and 'stinger' style hood all come together in harmony with the carefully placed graphics and die cut Gurney Eagle insignia. All 300 of the Gurney Signature Edition vehicles feature Saleen's 465 Hp supercharged 281 cubic inch engine, short throw shifter, and 3.73 Max Grip rear axle. The Gen 2 Watts

Link suspension has been tested for more than 2 million cycles. In addition, the vehicles will have custom two-tone seats that feature either blue or red Alcantara™ inserts designed to keep you planted firmly behind the wheel. The legendary Gurney Eagle® logo is featured on the steering wheel and several other places around the car. In honor of Mr. Gurney's "All American Racer" persona the cars will be offered in only three colors: Torch Red, Performance White, and the feature color Vista Blue.
